

MISSION

To empower self-expression and individuality by offering the most diverse and customizable sticker platform, where anyone can bring their ideas to life with high-quality, durable products

VISION

To become the leading destination for personalized stickers, recognized for exceptional customer experience, innovative design tools, and unwavering commitment to sustainability.

My name is Yoimiya – just let me know if you need anything! We have Kushikatsu, Egg Roll... Wait, no, we're not a restaurant. We make fireworks! Like these, see? Sparkling, crackling, little fireworks~

OBJECTIVES

Customization

Users can choose from a variety of sticker types (e.g., vinyl, die-cut, holographic) and paper materials (e.g., matte, glossy, transparent) to create a sticker that perfectly suits their needs.

User-friendliness

The website should be easy to navigate, with intuitive design tools and a smooth ordering process. This ensures a positive user experience and encourages repeat business.

High-quality products

The website should offer premium sticker materials and printing processes to ensure durability and vibrant colors. This builds customer trust and satisfaction.
